*Project of well developed
residential Plots*

Build your dream home

Sprawling over 600 well design plots with lush greens and wide open vistas, Bhavishya Medro City is a harmonious blend of eco-friendly life and economy investment. Bhavishya Metro city is an integrated township where fine living comes alive in imperial grandeur. Sprawling across approx 75 acres of land the township will provide easy access to essential medical services within the vicinity. The township has also proposed to have multiple educational facilities in the form of nursery and high school. Infrastructure Development Work on war level.

Floor Plans
